Home Grounds were selected based on reducing the travel times across the whole zone and trying to be as fair as possible

Please Note - Pitch 1 at **Charles McLaughlin** is a proper turf pitch. – The JNR game should be played on the grass of this field and not the pitch. Use field 2 and its pitch for the SNR match.

In rounds 1 & 2 (Northern Grounds) and rounds 3, 4 & 5 (Southern Grounds) there are different grounds out of action. This has series impacted match locations and some schools will not be getting as many home games across the whole season. To help deal with ground closures, the back up grounds will be used as well as Charles McLaughlin being needed to be used by the southern division.

The **Northern District** has 9 teams so for the school that had camps impacting Summer PSSA i placed their BYE on that week. The 1 round which repeats is where both teams playing share a home ground. Due to the issues with Fred Caterson, we will not be using it for any games which does impact travel times.

The **Southern District** has 8 teams so that does mean when camps impact Summer PSSA both teams have a BYE. I have made sure no school has 2 byes. Rounds where a bye has occurred have been planned to have a 2nd match up in the season.
