Home Grounds were selected based on reducing the travel times across the whole zone and trying to be as fair as possible

Please Note - Pitch 1 at **Charles McLaughlin** is a proper turf pitch. – The JNR game should be played on the grass of this field and not the pitch. Use field 2 and its pitch for the SNR match.

In round 4, 5 & 6 we don't have access to some (Northern) grounds. This has impacted match locations and means some schools will not be getting as many home games across the whole season.

The **Northern District** has 9 teams so for the school that had camps impacting Summer PSSA I placed their BYE on that week. The 1 round which repeats is where both teams playing share a home ground. Due to the issues with Fred Caterson, we will not be using it for any games which does impact travel times.

The **Southern District** has 8 teams so that does mean when camps impact Summer PSSA both teams have a BYE. I have made sure no school has 2 byes. Rounds where a bye has occurred those team will have a match up somewhere else in the season.

All teams should play each other once, before any repeats. If we have a washed-out game earlier in the season the T4 draw may be updated and the missed matches replace repeats.
